### **History of the Litigation**

Plaintiffs allege violations of the federal securities laws under Sections 10(b), 20(a), and 20A of the Securities Exchange Act of 1934 (the “Exchange Act”) against Kraft, 3G Capital Partners, former Kraft CEO Bernardo Hees, former Kraft CFO Paulo Basilio, former Kraft CFO David A. Knopf, Kraft Board Chairman Alexandre Behring, former Kraft COO George Zoghbi, and Kraft International Zone President Rafael Oliveira (“Defendants”). These claims arise from the Defendants’ misstatements regarding the Company’s financial position, including the carrying value of

Kraft's assets, the sustainability of Kraft's margins, and the success of recent cost-cutting strategies by the Company.

On October 8, 2019, the Honorable Robert M. Dow, Jr. appointed Union Asset Management as Co-Lead Plaintiff, BLB&G as Lead Counsel, for the class in the consolidated action. The Amended Class Action Complaint was filed on January 6, 2020. Defendants filed their motions to dismiss on March 6, 2020. Plaintiffs moved to amend their complaint based on new information regarding Kraft's internal EBITDA projections, and filed their amended complaint on August 14, 2020. Defendants filed their renewed motions to dismiss on September 28, 2020. Plaintiffs filed their opposition on November 12, 2020, and Defendants filed their replies on December 3, 2020.

Judge Dow sustained the Complaint over Defendants' motions to dismiss on August 11, 2021. The Court entered a schedule for the case on November 10, 2021 and modified it on August 12, 2022. Plaintiffs filed their motion for class certification on March 28, 2022; Defendants filed their opposition on May 20, 2022; and Plaintiffs filed their reply on July 19, 2022. On December 6, 2022, the Court denied Defendants' motion to compel additional class certification discovery from Union and request to hold open the class certification record, ruling that the class certification record is closed. During the course of discovery, Plaintiffs prepared and served multiple sets of requests for production of documents and interrogatories on Defendants, and prepared and served document subpoenas on 23 third parties. Defendants and third parties produced a total of over 14.7 million pages of documents to Plaintiffs. In addition, Plaintiffs produced over 53,000 pages of documents to Defendants in response to their discovery requests. In addition, three representatives of Plaintiffs sat for depositions in connection with the motion for class certification.

While discovery was ongoing and Plaintiffs' class certification motion was pending, the Parties engaged in private mediation before former United States District Court Judge Layn Phillips. In advance of the mediation, the Parties exchanged and also submitted to Judge Phillips detailed opening and reply mediation statements with numerous exhibits. Mediation sessions with Judge Phillips were held on January 31, 2023 and February 3, 2023. On February 7, 2023, Judge Phillips issued a mediator's recommendation, which the Parties accepted on February 13, 2023. Thereafter, the Parties memorialized their agreement in principle to resolve the Action for \$450 million in a term sheet executed on March 14, 2023.

After additional negotiations regarding the specific terms of their agreement, the Parties entered into the Stipulation and Agreement of Settlement on May 2, 2023. On May 11, 2023, the Court preliminarily approved the Settlement, authorized notice of the Settlement to be provided to potential Settlement Class Members, and scheduled the Settlement Hearing to consider whether to grant final approval of the Settlement for September 12, 2023.

On September 12, 2023, the Court held a hearing to consider final approval of the Settlement and other matters. At the hearing, the Court approved the Settlement and Plan of Allocation and Lead Counsel's motion for attorneys' fees and litigation expenses. The Court entered a Judgment Approving Class Action Settlement and an Order Approving Plan of Allocation of Net Settlement Fund on September 12, 2023, and an Order Awarding Attorneys' Fees and Litigation Expenses on September 19, 2023.

The claims administration has been completed. On January 27, 2025, a Motion for Approval of Distribution Plan was filed. The Court approved the Motion on March 3, 2025. The distribution of the net settlement fund to Court-approved eligible claimants will occur within 4 – 6 weeks. Please continue to check this website for further updates.

### **Background on the Alleged Fraud**

Kraft Heinz was formed as the result of the 2015 merger between Kraft Foods Group, Inc. and H.J. Heinz Holding Corporation orchestrated by Brazilian private equity group 3G Capital. This securities class action arises from Kraft Heinz's February 2019 announcement that it was forced to take a goodwill charge of \$15.4 billion to write-down the value of the Kraft and Oscar Mayer brands—one of the largest goodwill impairment charges taken by any company since the financial crisis. The action alleges that, while Kraft Heinz's executives (mostly 3G Capital partners) claimed following the merger that Kraft Heinz was reporting significantly increased profits and profit margins due to cost cutting from "synergies" found in combining the two companies, in fact 3G Capital was imposing arbitrary and across-the-board cuts to costs, and that these cuts gutted the Company's ongoing investments in R&D, quality control, and its global supply chain.

Plaintiffs alleged that these undisclosed and misrepresented cost cuts led to a significant degradation in the brand value of Kraft Heinz's historic food brands and destroyed key customer relationships, which drove the massive \$15.4 billion goodwill impairment. In response to the goodwill impairment and related news, analysts criticized the Company for having concealed the "bad news" and characterized the company's industry-leading profit margins as a "façade."

Heightening investor concerns, Kraft also revealed that it received a subpoena from the SEC in the same quarter it determined to take this write-down and was conducting an internal investigation relating to the company's side-agreements with vendors in its procurement division. Because of this subpoena and internal investigation, Kraft was also forced to take a separate \$25 million charge relating to its accounting practices. Since then, the Company has settled with the SEC for these procurement-related allegations (which is just a part of the BLB&G suit) for \$62 million.

Plaintiffs alleged that because of the company's misrepresentations, the price of Kraft's shares traded at artificially-inflated levels during the Class Period.
