Community Service Initiatives

Supporting Veterans: BLB&G is deeply committed to honoring and supporting those who have served our country. We have organized volunteer initiatives in partnership with VA New York Harbor Healthcare, an organization dedicated to addressing the mental health and substance abuse challenges faced by veterans. Our team engages in meaningful interactions with veterans, listening to their stories, sharing experiences, and providing companionship. Additionally, we organize clothing donation drives for veterans, reinforcing our commitment to their dignity and well-being.

Combating Homelessness: BLB&G partners with Bowery Mission, a cornerstone organization in New York City known for its support of the homeless community. Our volunteers actively participate in various activities, from

serving nourishing meals to visitors to assisting in kitchen preparations. By working on the lines, we contribute directly to the mission's efforts to provide sustenance and hope to those facing the harsh realities of homelessness.

Clothing Drives: BLB&G regularly runs clothing drives benefiting a wide array of non-profit organizations, including In Her Shoes, That Suits You, Dress for Success, Working Wardrobes, Clothes the Deal, Green Drop, Bottomless Closet, and the Holy Cross Ukrainian Catholic Church.

City Year: As advocates for youth engagement in public service, we actively support [City Year New York](#), a division of AmeriCorps. This program inspires young people to commit to a year of full-time community service, leadership development, and civic engagement, fostering a lifetime of citizenship and building a stronger democracy.
