

# National Law Journal Features BLB&G as One of Top 20 Plaintiff Firms in the Country in its "Plaintiffs' Hot List"

July 26, 2004

With a staggering series of large securities fraud recoveries over the last several years, (the largest in history including *Cendant*, *WorldCom*, *McKesson*), BLB&G was profiled in a feature article in both the *National Law Journal* and the *New York Law Journal* and named to the NLJ's "Plaintiffs' Hot List" – a listing of the top 20 plaintiff law firms in the country.

The firm also ranked number one in the nation with the highest average settlement for 2003 among firms with at least 5 settlements in a study of the top 50 plaintiff law firms. The study was conducted by Securities Class Action Services (SCAS), a subsidiary of Institutional Shareholder Services (ISS).
