

Max Berger and Sal Graziano Named Best Lawyers for 2012

September 6, 2011

Best Lawyers, a national legal periodical, has named BLB&G partners Max Berger and Sal Graziano to its 2011 edition of *The Best Lawyers in America* guide. The guide, the "oldest and most respected peer-review publication in the legal profession," (*The American Lawyer*) is a compilation of outstanding attorneys, and is regarded - by both the legal profession and the public - as the definitive guide to legal excellence in the U.S.

The 2012 Best Lawyers in America guide recognizes Mr. Berger as a leading lawyer in the practice areas of securities litigation and professional malpractice law and Mr. Graziano as a leading lawyer in the area of mass tort litigation.

Since the guide is peer-reviewed, a listing in *Best Lawyers* is widely considered within the legal profession as a "singular honor, conferred on a lawyer by his or her peers."
