

Four BLB&G Partners Named to Lawdragon's "500 Leading Lawyers in America" List

January 2012

National legal periodical *Lawdragon* has named BLB&G partners Max Berger, Salvatore Graziano, Mark Lebovitch, and Jerry Silk to its list of the *500 Leading Lawyers in America*. The list, which features "the most interesting and diversely talented lawyers in the world," represents less than 1% of the legal profession.

Selection is based on a combination of written submissions, online votes, and editorial research by *Lawdragon*. According to the publication, attorneys named to this list are those who "brought the biggest verdicts and settlements, handled the biggest deals and defined what law practice was in the year just passed." The list will be featured in *Lawdragon's* upcoming magazine due for release in the spring.
