

BLB&G Named Top Plaintiff Firm in the Nation at Benchmark Litigation Annual Awards

January 30, 2014

BLB&G was presented with *Benchmark's* inaugural "Plaintiff Firm of the Year" award at its annual U.S. Benchmark Litigation Annual Awards ceremony, which was held on January 29, 2014 at the Essex House Hotel in New York City. BLB&G was selected for this top honor from an elite group of six finalists.

Organized by the publishers of *Benchmark Litigation: The Definitive Guide to America's Leading Litigation Firms & Attorneys* – leading financial news magazines *Institutional Investor* and *Euromoney* – the awards ceremony recognizes the "top practitioners in the United States litigation community" and honors "individual attorneys, firms, and in-house counsel teams that played a significant role in the industry over the past year."

A "Highly Recommended" Firm

For the last seven years in a row, *Benchmark* has recognized BLB&G as one of the leading litigation firms in the nation. It is the only plaintiff litigation firm based in New York, and one of the only plaintiff firms in the country, to be given *Benchmark's* top ranking of "highly recommended." According to *Benchmark*, BLB&G is "unique in that it is not only one of the most successful contingency fee plaintiff firms, with many record-setting verdicts and settlements to its credit, but it is also one of the only plaintiff firms to be almost uniformly praised by past and present opponents on the defense side." *Benchmark* also acknowledges clients' praise for BLB&G's "wealth of experience and sterling reputation."

The *Benchmark Litigation* guide identifies the leading U.S. trial attorneys and firms at the local and national levels. Focused exclusively on the U.S. litigation market, the publication's rankings and editorials are the results of an extensive research process that includes detailed interviews with private practice lawyers and in-house counsel.
