

# BLB&G Named One of Top Securities and Class Action Practices in the Nation by *Law360*

December 22, 2014

*Law360* has once again selected BLB&G as one of the top firms in the nation.

Reviewing nearly 700 submissions from around the country, *Law360* recognized litigation and corporate teams that “came through for their clients in 2014, sealing the big deals and winning the high-stakes suits.” The series of firm profiles for its winners will begin in January 2015.

BLB&G is unique in that it is the only plaintiff firm in the nation ever recognized by *Law360* as a “Securities Practice Group of the Year.” In this year’s awards, it is again the lone plaintiff firm in a prestigious group of seven firms that includes securities defense teams from six elite national law firms.

BLB&G was also recognized for its work as a *Law360* 2014 “Class Action Practice Group of the Year.”
