

BLB&G Again Ranked One of the Top Firms in Nation by SCAS

May14, 2015

BLB&G is ranked by Securities Class Action Services ("SCAS") as one of the leading securities litigation firms in the nation, having recovered over \$600 million for investors in 2014.

For over a decade, SCAS has published an annual report tracking the top 50 firms prosecuting securities litigation in the United States. BLB&G has been at or near the top of the rankings every year since the list's inception in 2003 - often with the highest total recoveries, the highest settlement average, or both.

BLB&G founding partner Max Berger on the "SCAS 50" recognition:

"We are very pleased to again be among the leaders on the SCAS list. It is particularly gratifying because the results reflect the rigorous investigation, analysis and commitment we dedicate to our cases and clients. These achievements are not possible without the commitment of our clients, who are intricately involved in every step of the litigation process, and who demonstrate real leadership in stepping forward to prosecute these cases and hold corporate management accountable to its shareholders."
