

BLB&G Again Named One of the Top Firms in Nation in “SCAS 50” Report

May 2, 2016

With over \$1,028,982,828 recovered for investors in 2015, BLB&G is once again prominently ranked among the top firms in the nation by Securities Class Action Services (SCAS - a division of ISS Governance).

Since SCAS first published an annual report tracking the top 50 firms prosecuting securities litigation in the United States in 2003, BLB&G has been at or near the top of the rankings every year- often with the highest total recoveries, the highest settlement average, or both.
