

# ***Benchmark* Again Ranks BLB&G One of the Top Firms in the Nation**

October 2016

Leading industry observer *Benchmark Litigation* (“*Benchmark*”) has again affirmed BLB&G’s ranking and reputation as one of the top litigation firms in the U.S. in several categories. BLB&G is the only plaintiff firm to be ranked a Tier 1 firm nationally in securities litigation, and is included among *Benchmark*’s inaugural list of the “Top 10 Plaintiffs Firms” in the country.

The publication also gave BLB&G its top regional honor, naming it a “highly recommended” New York firm for the tenth year in a row. BLB&G remains the only New York plaintiff litigation firm and one of the only plaintiff firms in the country to be given this recognition. *Benchmark* also ranked the BLB&G’s California office as one of the top litigation firms in the state.

In its review of the firm, *Benchmark* describes BLB&G as “nearly always the first to be name-checked by competitors and opponents when mentioning securities plaintiffs.” As one plaintiff litigator concedes, “Bernstein Litowitz is the plaintiff securities shop everyone else aspires to be like in terms of a track record of success. We work in tandem with them sometimes and continue to be impressed.” On the other side of the aisle, one frequent opponent explains, “Bernstein Litowitz is always the one that brings the cases that really have bite...they stand out head and shoulders above the rest.”
