

Seven BLB&G Partners Named Among the “500 Leading Lawyers in America” by *Lawdragon*

July 2019

Leading national legal periodical *Lawdragon* has named seven BLB&G partners to its exclusive 2019 list of the 500 *Leading Lawyers in America*: Max Berger, John Browne, Salvatore Graziano, Mark Lebovitch, Hannah Ross, Gerald Silk, and Jeroen van Kwawegen. Considered one of “the most elite distinctions in the profession,” the list is a compilation of the “nation’s most notable and accomplished lawyers.” Selection is based on a combination of written submissions, online votes, and editorial research by *Lawdragon*.

The guide, which is currently still in production, will feature a short profile of each attorney when published.
