

Lawdragon Names 20 BLB&G Attorneys Among its “500 Leading Plaintiff Financial Lawyers” list

September 2019

Every few years, prominent legal periodical and industry observer *Lawdragon* magazine focuses its research into particular practice areas to identify the top practitioners.

In developing a 2019 guide of the "500 Leading Plaintiff Financial Lawyers" in America, *Lawdragon* has named 20 BLB&G attorneys to its list: Partners Max Berger, Michael Blatchley, John Browne, Timothy DeLange, Salvatore Graziano, James Harrod, Avi Josefson, Mark Lebovitch, Lauren Ormsbee, John Rizio-Hamilton, Jeremy Robinson, Hannah Ross, Gerald Silk, Katherine Sinderson, Jonathan Uslaner, Jeroen van Kwawegen, Gregory Varallo, David Wales and Adam Wierzbowski, as well as Senior Counsel Rebecca Boon.

According to *Lawdragon*, this guide is a “curated look at the best of the U.S. plaintiff bar who specialize in representing individual investors and shareholders, as well as businesses and other organizations harmed by corporate misconduct or other failures.” Selection is based on settlement and top verdict research and “nonstop” talk with lawyers nationwide about who they admire and would hire “to seek justice for a claim that strikes a loved one.”
