

***Lawdragon* Names BLB&G Founding Partner Max Berger to the "2020 Hall of Fame List"**

March 12, 2020

Founding partner Max Berger was just one of 41 distinguished attorneys to be inducted into *Lawdragon's* 2020 "Hall of Fame" list. The prestigious list reflects the amazing breadth of legal talent *Lawdragon* has recognized since its founding 15 years ago.

The honor, first assembled five years ago, includes some of the nation's most well-known lawyers. Max was selected for his incredible work as a senior founding member of the firm. His success litigating many of the firm's most high-profile and significant cases, including negotiating seven of the largest securities fraud settlements in history (each in excess of a billion dollars), was also recognized.
