In addition to these Tier 1 rankings, BLB&G was also noted for our practices in the following areas: Commercial Litigation, Mergers & Acquisitions Litigation, and Corporate Governance Law.

BLB&G is proud to be named on the publication's formidable list of firms. According to *U.S. News – Best Lawyers*® "Best Law Firms," "Firms that received a tier designation reflect the highest level of respect a firm can earn among other leading lawyers and clients from the same communities and practice areas." Indeed, law firms are rigorously evaluated by clients and lawyers alike. Clients provided feedback on areas including firms' expertise, responsiveness, cost-effectiveness, and likelihood of referring another client. Leading attorneys in the field submitted peer reviews with similar criteria, adding commentary on a firm's integrity, as well as whether they considered the firm to be a worthy competitor. In fact, the 2023 rankings incorporate more than 12.2 million evaluations of more than 115,000 individual leading lawyers from more than 22,000 firms.
