May 19, 2023

BLB&G was named a "Legal Lion of the Week" by *Law360* following the news of a \$1 billion settlement reached with Wells Fargo & Co on behalf of shareholders. The firm served as lead co-counsel, bringing forth a federal securities class action lawsuit which alleged that Wells Fargo misrepresented its progress overhauling its internal controls and compliance. The class was represented by John C. Browne, Jeroen van Kwawegen, Michael Blatchley, Robert Kravetz, Jonathan Uslaner and Lauren Cruz.
