

BLB&G Named Law Firm of the Year for “Litigation – Mergers & Acquisitions” by U.S. News – Best Lawyers® Best Law Firms 2024

November 7, 2023

BLB&G was named “Law Firm of the Year” in the “Litigation – Mergers & Acquisitions” category in the 14th edition of *U.S. News – Best Lawyers® Best Law Firms*. The firm’s litigation practice was also recognized across several national and regional categories in the 2024 guide:

National Tier 1

- Commercial Litigation
- Litigation - Mergers and Acquisitions
- Litigation - Securities
- Mass Tort Litigation / Class Actions - Plaintiffs

Metropolitan Tier 1

Delaware

- Commercial Litigation
- Corporate Governance Law

New York City

- Litigation - Mergers & Acquisitions
- Litigation – Securities
- Mass Tort Litigation / Class Actions – Plaintiffs

Metropolitan Tier 2

Delaware

- Appellate Practice
- Corporate Law
- Litigation - Mergers & Acquisitions
- Securities / Capital Markets Law

New York City

- Commercial Litigation

- Professional Malpractice Law - Plaintiffs

BLB&G's "Law Firm of the Year" designation reflects the firm's exceptional performance over the past year representing institutional clients in lawsuits seeking to enforce fiduciary obligations in connection with mergers & acquisitions. In 2023, this work included securing a \$400 million judgment in a case challenging Columbia Pipeline's \$13 billion merger with TransCanada and achieving a precedent-setting outcome in a class action lawsuit challenging the merger of Vista Equity Partners and Mindbody, among many other cases of critical import for shareholders.

Our rankings in the 2024 edition of *U.S. News – Best Lawyers® Best Law Firms* is a testament to our esteem in the market. According to the publication, "A ranking in *Best Law Firms* is the signet of success for law firms, honoring the work of their focused practices and a tireless commitment to justice." Rankings are based on a "rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in the field, and industry leader interviews."
