July 29, 2025

BLB&G Partner Andrew Blumberg has been [profiled](#) by Law360 as a 2025 “Rising Star” for his leadership in landmark securities litigation and corporate governance cases.

The profile highlights Andrew’s pivotal role on the BLB&G trial team that secured a 2023 ruling for investors in Mindbody Inc., where company management was alleged to have undervalued the business in its 2019 sale to a private equity firm. It also recognizes Andrew’s work as lead counsel for the California Public Employees’ Retirement System in challenging CBS’s \$30 billion merger with Viacom in 2019.

Reflecting on his career, Andrew shared how growing up around corporate attorneys shaped his path toward securities litigation, ultimately aligning ideologically with the plaintiff’s side after starting his career as a defense attorney. The profile concludes with Andrew’s perspective on Delaware Senate Bill 21, noting that his work on BLB&G’s constitutional challenge to the legislation could profoundly shape the future of investor protections and his practice:
