

Sean Coffey Discusses Restoring Investor Confidence on Bloomberg Law Podcast

April 7, 2009

Former partner Sean Coffey participated in the *Bloomberg Law* podcast, "Restoring Investor Confidence in the Aftermath of Madoff," held on April 7, 2009. The discussion examined the root problems that allowed Bernard Madoff's gigantic Ponzi scheme to flourish, the lack of oversight and systemic flaws that contributed to the global financial crisis, and what can be done today to restore investor confidence. Former SEC chairman Arthur Levitt, Harvard Law School Securities Law Professor Allen Ferrell and Ralph C. Ferrara, Securities Partner at Dewey & LeBoeuf, also took part in the discussion.
