

Jerry Silk Discusses Global Trends in Securities Litigation with ISS

October 9, 2014

BLB&G partner Jerry Silk was a featured speaker in the Institutional Shareholder Services' (ISS) "Global Trends in Securities Class Actions," which was held at the Intercontinental Hotel on October 9, 2014, in New York City. Mr. Silk participated in a panel of the practical consideration when pursuing investor claims across the globe.

Mr. Silk's practice focuses on representing institutional investors on matters involving federal and state securities laws, accountants' liability, and the fiduciary duties of corporate officials, as well as general commercial and corporate litigation. He also advises creditors on their rights with respect to pursuing affirmative claims against officers and directors, as well as professionals both inside and outside the bankruptcy context. Mr. Silk was recognized by *The National Law Journal* in its inaugural list of "Litigation Trailblazers & Pioneers" — one of 50 lawyers in the country who have changed the practice of litigation through the use of innovative legal strategies — in no small part for the critical role he has played in helping the firm's investor clients recover billions of dollars in litigation arising from the financial crisis, among other matters.
