

BLB&G Partner Gregory V. Varallo Participates at Salzburg Global Corporate Governance Forum event: “Driving Accountability: Integrating EESG into Executive Compensation

May 6, 2021

On May 6, 2021 partner Gregory V. Varallo will participate in the Salzburg Global Corporate Governance Forum event: Driving Accountability: Integrating EESG into Executive Compensation.

There has been a growing recognition that boards have a responsibility to oversee “EESG” (Employee, Environmental, Social, and Governance) risks and opportunities, leading to an increase in pressure from shareholders to create greater alignment and accountability among companies.

Greg, who has earned a reputation as one of the country’s leading corporate governance experts, will join other leaders in this interactive conversation, which will explore the growing demands to align executive compensation with delivering on corporate EESG priorities, among more topics.
