

BLB&G Partner John Rizio-Hamilton Will Serve as Coordinator at Federal Bar Council Webinar, *Current Issues in Retail Securities Markets*

December 2, 2021

BLB&G partner John Rizio-Hamilton will serve as program coordinator at the Federal Bar Council's webinar, *Current Issues in Retail Securities Markets*. The program will survey key legal and regulatory developments in retail markets, consider how and why the retail market has changed, and then focus on the legal and regulatory implications of retail options speculation, special purpose acquisition companies (SPACs), and Environmental, Sustainable, Governance (ESG) investing.

John recently moderated another program by the Federal Bar Council on *Life of a Federal Law Clerk*.
