

Anatoli van der Krans Served as Panelist at “The Digitization & Future of Law” Conference

August 30, 2022

Director of European Client Development, Anatoli van der Krans recently served as a panelist at the international legal conference, “The Digitization & Future of Law,” which was organized by the Lebanon Law Review in collaboration with the German NGO Konrad Adenauer Stiftung – Rule of Law Program MENA. The panelists discussed the digitization of the fight against corruption, the digitization of law in practical business practices, and the future of law in light of LegalTech, blockchain, Artificial Intelligence, and NFTs (Non-Fungible Tokens).
