September 9, 2022

BLB&G Partners Hannah Ross, John Rizio-Hamilton, Rebecca Boon, and Senior Advisor for European Relations Hans EK, will speak at the "ESG Disclosure through the Lens of Litigation" on September 15, 2022, which is being hosted in Toronto, Ontario by The Global Risk Institute and McMillan LLP. The speakers will address the topic of how institutional investors can, under the right circumstances, use litigation as a tool to further their ESG priorities and to engage with companies who fall short of what investors expect of them on ESG issues.
