

BLB&G's Women's Forum Virtual Event

June 18, 2020

BLB&G transitioned its 2020 Women's Forum to an online networking group for female leaders in pensions funds and other institutional investors around the world. This group was created to connect our community in order to share ideas and provide solutions to overcoming the unique challenges presented by today's new normal.

On Thursday, June 18th the group will be holding its first interactive Zoom discussion moderated by BLB&G's Hannah Ross and Katie Sinderson and featuring a distinguished panel of discussion leaders from across the industry.
