September 16, 2022

We are excited to announce that BLB&G's Institutional Shareholder Conference will be taking place on September 16, 2022. The event will take place simultaneously in each of our locations in Amsterdam, Copenhagen, and Stockholm, with speakers presenting from the various venues and their remarks broadcasted live in an interactive format to the other two locations.

This conference will host legal and responsible investment professionals to discuss the importance of ESG for institutional investors, and will feature a keynote address by [Kersti Kaljulaid](#), former President of the Republic of Estonia, and current Global Advocate for the United Nations' *Every Woman Every Child* strategy on the health and well-being of women and children around the world.
