

"Investor Attempts To Hold Cos. Accountable Are Working" by BLB&G Partner Rebecca Boon published by *Law360*

May 18, 2021

Law360's Expert Analysis publishes BLB&G partner Rebecca Boon's article "Investor Attempts To Hold Cos. Accountable Are Working." In the piece, Rebecca discusses how "over the past few months, investors have been demanding increased accountability from corporations on diversity and other social issues." As Rebecca notes, "The issues are not new, but the investor focus on these issues is."
