

"Important Considerations in Deciding Whether to Opt Out of Securities Class Actions" by Jonathan Uslaner published in *Reuters*

June 23, 2021

BLB&G Partner Jonathan Uslaner discusses the important considerations for investors when deciding whether to "opt-out" of a securities class action. In the article, Jonathan covers five factors to consider and how to balance weighing the value of each factor.

"In most circumstances, there is neither a benefit nor a need to opt out. However, unique situations may warrant consideration of whether to opt out."
