

"SEC Whistleblower Program Seeing Renewed Support Under Biden Administration" by Jonathan Uslaner and Lauren Cruz Published in *Reuters*

November 29, 2021

In this *Reuters* article, "SEC Whistleblower Program Seeing Renewed Support Under Biden Administration," BLB&G partner Jonathan Uslaner and associate Lauren Cruz discuss the importance of whistleblowers and how their role is vital when it comes to detecting and reporting securities fraud, which can kickstart new investigations and drive existing investigations — ultimately leading to securities litigation. These private actions provide an important source of recovery for defrauded investors and keep corporate America in check.

The authors also discuss the difference of support with the SEC whistleblower program between the Trump administration and the Biden administration, and dive into the Dodd-Frank Wall Street Reform and Consumer Protection Act, a program that expands protection afforded to whistleblowers.
