

The Advocate for Institutional Investors

Fall 2018

- **The SEC Under Attack:** Two years of deregulation is leaving a mark
- **It's All About Relationships:** Increasing interconnections between accounting firms and clients lead to errors and conflicts of interest
- **From Kennedy to Kavanaugh:** Where will the new Supreme Court Justice stand on issues affecting institutional investors?
- **Keeping Investors Out of Court:** Mandatory arbitration clauses threaten investor rights
- **Seeking Justice Outside the United States:** Recent *Fortis* decision in Dutch Court is a victory for US shareholders
