

Delaware Law Weekly Article Highlights BLB&G Partner Mark Lebovitch's Panel at CII's 2022 Spring Conference

March 9, 2022

A recent *Delaware Law Weekly* article highlighted BLB&G partner Mark Lebovitch's panel, "Rethinking SPACs," at the CII 2022 Spring Conference: *Putting the Band Back Together*. This conference brought together a wide spectrum of governance professionals, institutional investors, regulators and legislators to interact, share best practices and learn from experts and each other.

The article also highlights Mark's work leading the firm's SPAC cases in Delaware's Court of Chancery, as well as a series of novel federal actions involving alleged violations of the Investment Company Act by a number of SPACs.
