

BLB&G Managing Director Catherine van Kampen Appointed Chair of the ABA ILS Cyber, Art & Technology Division

August 19, 2026

BLB&G Managing Director of Staff Attorneys and Senior Counsel Catherine van Kampen has been appointed Chair of the American Bar Association International Law Section's Cyber, Art & Technology Division, a distinguished legal community driving leadership and cultivating expertise across diverse practice areas, including digital rights, art and cultural heritage, and life sciences and health law. In this leadership role, Catherine will oversee Section and Committee initiatives, provide strategic guidance for Committee Co-Chairs, and serve as a voting member of the Council.

Catherine manages BLB&G's staff attorneys and has extensive experience in complex litigation and settlement administration. She has earned numerous honors for her international pro bono work advocating for immigrant and refugee women and children, including recognition as a Global Goals Ambassador by the United Nations Association of the USA. Catherine is also an active leader in legal organizations, serving on advisory boards and committees focused on advancing leadership, human rights, and gender equity.
