

21st Century Fox

January 1, 2018

Before the birth of the #metoo movement, BLB&G leads the prosecution of an unprecedented shareholder derivative litigation against Fox News parent 21st Century Fox, Inc. arising from the systemic sexual and workplace harassment at the embattled network. After nearly 18 months of litigation, discovery and negotiation related to the shocking misconduct and the Board's extensive alleged governance failures, the parties unveil a landmark settlement with two key components: 1) the first ever Board-level watchdog of its kind – the "Fox News Workplace Professionalism and Inclusion Council" of experts (WPIC) – majority independent of the Murdochs, the Company and Board; and 2) one of the largest financial recoveries – \$90 million – ever obtained in a pure corporate board oversight dispute. The WPIC is expected to serve as a model for public companies in all industries.
