

Arbitration & Alternative Dispute Resolution

We have experience in U.S. and international disputes and our attorneys have led complex business-to-business arbitrations and mediations domestically and abroad representing clients before all the major arbitration tribunals, including the American Arbitration Association (AAA), FINRA, JAMS, International Chamber of Commerce (ICC) and the London Court of International Arbitration.

Our team of lawyers has successfully arbitrated cases that range from complex business-to-business disputes to individuals' grievances with employers. It is our experience that in some cases, a well-executed arbitration process can resolve disputes faster, with limited appeals and with a higher level of confidentiality than public litigation.

For example, in the wake of the credit crisis, we successfully represented numerous former executives of a major financial institution in arbitrations relating to claims for compensation. We have also assisted clients with disputes involving failure to honor compensation commitments, disputes over the purchase of securities, businesses seeking compensation for uncompleted contracts, and unfulfilled financing commitments.
